## **Introduction**

At Trent CE Primary, we believe that home learning plays an important part in a child's education. The benefit of doing home learning must be instilled at an early age so that independent study can be achieved, and so that children are prepared for life in Secondary school and beyond.

We are also aware that children have opportunities and experiences outside of school that are equally important in developing and enriching their lives. We will give careful consideration to making home learning well-balanced across the school.

## **Aims**

Trent CE Primary's Home Learning Policy aims to:

- Develop a consistent approach to Home Learning throughout the school.
- Make sure that teaching staff, parents and pupils are aware of their responsibilities with regard to home learning.
- Ensure that parents have clarity on what their child is expected to do.
- Encourage pupils to develop the responsibility and self-discipline required for independent study.
- Support pupils' learning experiences via revision and reinforcement.
- Work with parents and involve them in their child's learning and to keep them informed about the work their child is covering.
- Use Home Learning as a tool for raising standards of attainment.
- Give pupils further practice and deeper understanding of skills, knowledge and concepts learned during the school day.

#### **Home Learning Tasks – Current practice**

- Every Curriculum Information Meeting, each term, for each year group, informs parents and pupils of what is expected with regard to Home Learning.
- Every term, the Curriculum Information Letters will inform parents about the main topics and units of work being covered and the ways that parents can help their child.
- All pupils will have home access to Google Classroom in order to access their Home Learning. Any child who cannot access this platform will be given printed copies of the homework.

### **EYFS and KS1**

- Every pupil will receive weekly Home Learning on a Friday, which is to be returned on or before the following Wednesday morning via Google Classroom.
- Homework submitted by Wednesday will be acknowledged by either the class teacher or teaching assistant.

### **KS2**

- In years 3-6, homework is set via the online platform 'Atom learning'. All information is set via Google Classrooms for children to access 'Atom Learning'.
- Parents/carers are encouraged to discuss any errors with their child. If they have any queries, they should make an appointment to see their child's class teacher. Feedback from parents about their child's Home Learning is also welcomed by the school.
- At Trent CE Primary School, pupils will be given activities in maths and English every week; additionally there may be project work or 3D tasks to complete over an extended time period.
- The amount of Home Learning will increase as the child progresses through school.
- Pupils attending Intervention groups or Breakfast Booster groups may have additional consolidation tasks to complete.
- Teachers may occasionally set extra Home Learning for the whole class if they feel it would be beneficial.

## **Absences**

- If the child is absent from school due to illness or medical reasons, the school will not supply work for these periods as pupils should be well enough to undertake work. In some cases, there may be exceptions to this rule and the school has the right to decide whether this is acceptable or not.
- If the child is absent for a long period of time, e.g. with a broken arm, the teacher and the parent of the child will agree on what should be done and how much help should be given to the child.

## **Pupils who fail to complete Home Learning**

All pupils are expected to complete Home Learning on time. Teachers will keep records of pupils completing Home Learning which will be regularly checked. If pupils fail to complete Home Learning, teachers will contact parents to find out why. If this continues, the child will be asked to stay in and complete any work set.

## **Marking Home Learning**

Home Learning may be marked in a variety of ways depending on what has been set.

## **Pupils with SEND**

- The school recognises that pupils with special educational needs and disabilities (SEND) may require that specific tasks be set.
- While pupils with SEND may benefit from special tasks separate from the Home Learning received from other pupils, it is important that they also do as much in common with other pupils.
- A balanced amount of the right type of Home Learning will be set for pupils with SEND, in consultation with the parents and SEND Inclusion Manager/SEND Co-ordinator.

## **Equal Opportunities**

At Trent CE Primary School, governors and staff members are committed to providing a full range of opportunities for all pupils, regardless of gender, disability, ethnicity and social, cultural or religious background.

**Monitoring and Evaluation:** This policy is reviewed bi-annually, although it may be amended as necessary throughout the year.
